

MyGhanaonline, Website Services division of **ADS Media Agency** was established in 2003 with the purpose of providing affordable yet professional website services and needs to small and medium-sized businesses. We are specialized in providing custom web design, top-quality web hosting, search engine optimization, web site promotion, web advertising, software development, database management solutions and much more.

MyGhanaonline have developed and currently manages the websites of over 180 corporate bodies and hosts over 260 organizations in Ghana making us Ghana's most popular website service providers and top web hosting company by well-regarded web hosts' analyst, **WebHosting.Info** <http://www.webhosting.info/webhosts/tophosts/Country/GH>

MyGhanaonline offers the industry's best price points, with more space, features, tools, and security than any comparable competitor. Customers love top-rated 24/7 technical support.

Our site rates are designed to be practical for companies with a need for an Internet presence. Our staff ensures your investment will provide an effective, clearly-professional site without incurring the expense that comes with this quality.

Our Mission is to provide people and businesses affordable, top quality solutions for their online needs. We want to help you make your business more profitable and help your message reach more people. We do not lose sight of the fact that your web site will be a reflection of yourself or your business.

The main route by which your customers will hear of your website will be you. This means that when you are as proud of your website as you are of your products or services, you will naturally direct your customers to it, maximizing its benefit to you. It is MyGhanaonline's goal to build a site which you are excited to share with your customers and prospective clients.

What makes us different?

Not only do we guarantee your website will look great, generate leads, and increase your business status... we're not satisfied until your investment in our services is returned, over and over again.

We know the industry and we know how to satisfy you.
